TRAINING SITREP

1. Things are firming up nicely for 19 – 23 May, not so nicely for 12-16 May.

a. Week 12-16 May.

(1) Unit Presentation. OPTAG are laying on 4 x ½ day unit presentations in the Bourlon gym 12-13 May. This is mandatory I am afraid but, given the size of the gym, coys will be able to choose which one to go to. Is anyone not able to free their coy for one of these? OCs - let me know your preferences asp and I will get our bids in before the others. I have asked for a TELIC 2 CD-ROM for continuation trg.

(2) Train the Trainer (TTT). I need your honest views on this as Bde may direct that these are mandatory and we may have to fight our corner. OPTAG will run 3 TTT packages concurrently:

Ptl Skills/PO (3 x MOI NCOs per sub-unit)	- 13-15 May
Ptl Search “ “ “ “	- 13-15 May
Spec Wpns (Baton Gun/AKs etc) 1 x SA(90)B per Coy	- 13 May

b. SAXON Comds Cadre 16 – 19 May. This is our only chance to train SAXON commanders before deployment. OCs are to inform the MTO, by cop 9 May, how many men they intend to place on this cadre.

c. Week 19–23 May 03. See att programme

(1) Mine Awareness. This will run from 0830-1230hrs and 1400 – 1800hrs. WTO is to ensure that a coy size classroom with projector & video is allocated for 20 and 22 May. Maximum attendance is required.
