MOD Form 266E (Continuation Sheet)

Sheet No: 2

Case No: 64695/03

Continuation of statement of: **John LIGHTEN**

I also do not recall him bringing up any points regarding whether direction had been sought or given by Bde to extend the Iraqis to be detained beyond the 14 hr ruling or how the detainees were holding up under interrogation.

As I said before, Maj Peebles would not normally disclose that information at that meeting.

Regarding Maj Kenyan raising a point regarding an allegation by Capt Goodenough that his troops had witnessed detainee abuse, I can recall that this did happen, but I am unsure of whether it was at this meeting or another. I also do not recall what was said or who and how it was dealt with.
