## THE BAHAMOUS PUBLIC INQUIRY

---

### Supplementary Witness Statement of Antony ROYCE

---

I, Antony ROYCE, will say as follows:-

1. I make this statement further to my statement of 21 July 2009.
2. I have access to an office diary kept in theatre in 2003. The Inquiry is aware of the existence of the diary, and I also brought it to a meeting with the Inquiry when my statement was finalised.
3. The following extracts from the diary relate to matters that might be relevant to the Inquiry. The first entry on the 6 July 2003 was raised at the COs conference under "Command Group points" and relates to matters that were raised in the Brigade Commander's meeting with his COs the previous evening. The rest of the entries would have been discussed at the Redbrick meetings. I have explained what a Redbrick meeting is in my first statement.

6 July 2003 "Legal guidelines for internment"

7 July 2003 "LEGAL – Dirc on route – procedures for arrests etc" . "Dirc" is shorthand for "Direction".

12 July 2003 "Legal – Baghdad visit: - several million dollars for court houses  
- Detention / Internment – plans should involve legal for lift ops"

14 July 2003 "LEGAL – Bde FRAGO today ref detainees / Internees / CPA order 19 ref Demos". In the diary the reference to the CPA order is ringed in red pen and there is a comment which I have written beside it "not seen". That comment would have been made at or around the time of the other entry.

4. The diary remains available for inspection by the Inquiry.

**Statement of Truth**

I believe the facts stated in this witness statement are true.
