Dear Mr Henderson

I refer to your letter of 17th November 2008, and email of today's date.

Can you please tell the Inquiry that I adopt the submissions made on behalf of Major Peebles. WO2 Davies is also in a very unique position in that he was the Tactical Questioner brought in on the day, but was not in the chain of command.

Like Major Peebles he too is still serving and faces the same issues raised. Also, like Major Peebles, he was acquitted after a full trial.

Yours sincerely
