THE BAHA MOUSA PUBLIC INQUIRY

Witness Statement of RICHARD DAVID GAMMAGE

I, RICHARD DAVID GAMMAGE will say as follows: -

1. Further to my first statement, dated 4 August 2010, I stated in paragraph 17 that the Intermediate Command and Staff Course (Air) (ICSC(A)) and Junior Officers' Development Package (JODP) include lessons on LOAC, the Geneva Conventions and international law, including reference to the 1984 United Nations Convention Against Torture, the United Kingdom Human Rights Act, the International Criminal Court Act 2001 and Joint Defence Publication 1-10. I can now confirm that these topics are delivered exclusively by visiting Legal Officers from the Directorate of Legal Services (Royal Air Force).
2. I can also now confirm that the Future Commanders' Study Period (FCSP), mentioned in paragraph 22, is now mandatory pre-employment training for RAF commanders. It is provided for Royal Air Officers at group captain and wing commander level, who are about to take up a command appointment. Attendees receive a 90 minute presentation from the Directorate of Legal Services (Royal Air Force); this presentation provides an opportunity to discuss LOAC and CPERS issues.

Statement of Truth

I believe that the facts stated in this witness statement are true.
